Description :

Prsentation de l'diteurDusty Springfield made her name in the 60s with a string of top ten hits. Her unique singing style and distinctive bouffant blonde look made her famous throughout the world. Despite a period in the wilderness during the 70s and 80s, she was back at the top in the 90s until her death from cancer in March 1999.Born an Irish Catholic in 1939, her background set her almost schizophrenically at odds with herself as she realised her sexuality and moved further into the rock world. Both Penny Valentine and Vicki Wickham knew Dusty well, as friend and manager for much of her career. As well as charting her gay

relationships, this book also looks candidly at the period of her greatest self-destruction while living in Los Angeles in the 80s. Covering every area of her career with honesty and affection, Dusty is brought vividly to life.
